July 2013

Dear Citizens of Jefferson County Fire District #7:

In light of recent events across the country, Jefferson County Fire District #7 is gathering information about our district to assist us in rescue and recovery efforts should our district be hit by a tornado or any other disaster. Enclosed you will find a survey that we would like you to complete. Be assured that this information will not be given to anyone and will only be accessed in case of an emergency.

To assist the department in keeping an updated list, please let us know if you move so we can remove your survey.

In addition, the department has green reflective address signs for sale for \$10. These signs will assist us in finding your house in the dark. It is helpful if you put them in your yard or at your driveway so we know which house is yours.

If you have any questions, please leave a message on the station phone and someone will return your call. Please note that we are a volunteer department so your call may not be returned the same day.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel Rosencutter", with a long horizontal line extending to the right.
