

City of Ozawkie Kansas

Fall 2015 Newsletter

Greetings to all our citizens!! The City has undergone lots of changes and challenges through the past several months and we still stand tall!!

The Mayor would like to let citizens know that there will be crews working on trimming trees in the months of September and October, so be on the lookout and drive safely.

Councilman Don Schaeffer would like all to know that we are in the process of getting bids to begin resurfacing our streets. It will be a slow process due to funding, but at least we are beginning. He also wants to inform citizens that there will be speed bumps installed on Delaware and Kansa due to numerous speeding cars and complaints about them.

Make sure your dogs and cats are licensed with the city, dogs are \$5 and cats are \$4. Licenses can be obtained at the city office from 9-1 Monday through Friday. Proof of rabies vaccination is required. Also, a friendly reminder to keep your pets in your yard, we DO have a leash law. We have MANY citizens who walk, jog, bike, walk dogs, etc. and no one should have to worry about being harassed by others pets. This is part of being a responsible pet owner.

The city has a website **ozawkie.org** and a new facebook page **City of Ozawkie Kansas**. These resources are the quickest way to get info!!
